

Autumn II

PUMPKIN HARVEST
WITH BEE/BLUE BOT

<http://puda.knihovna.policzka.org/>

Městská
knihovna
Polička

Program the Bee/Blue bot to reach the pumpkin. Or play memory game with it - find the same leaf as the leaf you start on (you can draw this from the cards, for example). You can use arrows, a worksheet, a tactile reader or the Blueblobs app to record the program.
